About USCO:

USCO, founded in 2010, is a leading company specializing in the construction industry and general supplies. With expertise, quality products, and exceptional customer service, USCO has established itself as a trusted partner in the construction sector.

Our extensive range of construction supplies includes high-quality building materials, tools, equipment, safety gear, and various other products necessary for construction projects of any size. From residential to commercial construction, USCO strives to meet the diverse needs of our clients. USCO (Union Services Corporation) is a renowned company specializing in the construction and general supplies industry. With a solid reputation, USCO has successfully executed numerous projects across various sectors.

USCO's success can be attributed to their team of skilled professionals, including engineers, project managers, and support staff. Their expertise and attention to detail have earned them recognition as a reliable partner within the construction and general supplies industry.

In the construction domain, USCO has been involved in a wide range of projects, including residential, commercial, and industrial developments. They have experience in constructing buildings, bridges, roads, and infrastructure projects. USCO's reputation accrues in their commitment to quality, timely completion, and adherence to safety

standards. In addition to construction, USCO also provides general supplies related to the industry.

This includes a vast array of materials and equipment required for construction projects, such as cement, steel, lumber, electrical fixtures, plumbing supplies, and more.

Their extensive inventory ensures that contractors and builders can find all the necessary supplies for their projects in one place.

On time and within budget

We understand the importance of delivering projects on time and within budget. That's why USCO collaborates closely with clients, architects, and contractors to provide tailored solutions that meet specific requirements. Our team of experienced professionals ensures seamless coordination and efficient execution of projects.

Exceptional customer service

USCO's commitment to exceptional customer service has earned us an outstanding reputation in the industry. Our knowledgeable and dedicated staff members are always ready to assist clients with product recommendations, technical support, and timely delivery. We continuously strive to exceed customer expectations and build long-lasting relationships.

Latest advancements and trends

To stay at the forefront of the construction industry, USCO keeps abreast of the latest advancements and trends. We continuously update our product offerings to incorporate innovative and sustainable solutions that enhance construction processes.

Our Mission

USCO's mission is to be a leading provider of construction industry solutions and general supplies. They aim to offer high-quality products and services that meet the needs of their customers in the construction sector. Their primary focus is on delivering excellence in customer service, reliability, and innovation.

Our Vision

Innovation and Adaptability: In an ever-evolving industry, USCO aims to stay ahead by embracing innovation and adapting to changing market conditions.

They are committed to exploring new technologies and practices that enhance efficiency and sustainability in construction and general supply operations.

Our Values

- Full Compliance.
- Detailed Action Plans.
- Cost Saving While Optimizing Resources.
- Top-Notch Quality
- Innovation and Modernism.
- Integrity and Transparency.

- Safe Conduct.

Customer Satisfaction

USCO prioritizes customer satisfaction by understanding their unique requirements and providing tailored solutions. They strive to build long-term relationships with their clients by consistently delivering quality products, efficient services, and prompt support.

- ✓ Follow up of production and for timely deliveries of production

Customer Solutions:

Collaborate with our experienced design and engineering team to create tailor-made aluminum solutions for your specific needs. We thrive on turning your ideas into reality, providing you with a competitive edge in your industry.

Our diverse portfolio showcases our proficiency in aluminum fabrication and construction across various sectors, including:

- ✓ High-Rise Commercial Buildings
- ✓ Residential Towers
- ✓ Industrial Facilities with Aluminum Roofs and Facades
- ✓ Retail Spaces with Eye-Catching Aluminum Storefronts
- ✓ Specialized Aluminum Structures for Events and Exhibitions

Safety and Quality Assurance:

At USCO safety and quality are integral to our operations.

We follow stringent safety protocols and adhere to international standards to ensure the safety of our team and the quality of our Products and Services.

Our client care services include:

- Warranty reviews
- Commissioning the project and closeout
- Developing a final premises deficiency report and disseminating it to all involved parties for completion of tasks relating to their scope of work

- Ending all pending/open project permits
- Creating and submitting copies of all project closeout documents to provide you with a comprehensive operational record, including:
 - Drawings as built
 - Fire and hydro test certificates
 - Mechanical and electrical equipment manuals and warranties
 - Maintenance information packages

Sustainability:

We are committed to eco-friendly construction practices, and aluminum's recyclability aligns perfectly with our sustainability goals.

Our construction methods prioritize energy efficiency and environmental responsibility.
